877 : Business

Students apply skills learned in theory by demonstrating professional behavior on the clinic floor. Students perform hair removal, hair, manicure and pedicure services to anatomical models and clients on the clinic floor. Students practice sterilization and sanitation techniques while applying safety principles designed for the client and salon. Students study the principles of the business of cosmetology, specifically the salon business, seeking employment in the cosmetology field and skills to apply while on the job. Review of all theory concepts in preparing for the Florida state board exam.
