
PNR151 : Medical-Surgical III: Experiential Learning

This immersive course marks the third and final chapter in the trilogy of medical-surgical nursing education, in which students will become experts at analyzing collected data and delineating nursing care within a wide spectrum of bodily systems. In this course, students demonstrate mastery in detecting and treating fluid and electrolyte imbalances. Through a seamless integration of theoretical knowledge and practical skills, students will acquire the competence required to deliver excellent patient care.
